

# CAROUSEL OF TIME

*Yesterday a child came out to wonder.  
Caught a dragonfly inside a jar.  
Fearful when the sky was full of thunder  
And tearful at the falling of a star.*

**Chorus**

*And the seasons, they go 'round and 'round, And the painted ponies go up and down.  
We're captive on a carousel of time.  
We can't return. We can only look behind from where we came,  
And go 'round and 'round and 'round in the circle game.*

*Then the children moved ten times round the seasons  
Skating over ten clear frozen streets.  
Words like, "When you're old just to please him  
And promises of Sunday make up his dreams."*

**Chorus**

*Sixteen Springs and 16 Summers gone now.  
Cartwheels turn to car wheels through the town,  
And tell her, "take your time 'cause is won't be long now  
'Til you drag your feet just to slow the circles down."*

**Chorus**

*So the years spin by now, the boy is 20.  
Though his dreams have lost a lot of granduer and truth  
There'll be new days, maybe better dreams.  
There'll be plenty of new dreams before the last coming year is through.*

**T**he music of the calliope starts up, the Regis doors open, and the Carousel of Time begins its cycle anew. For the upperclassmen the beginning of this year seems much like the beginning of the past few, yet there is the knowledge in their minds that this is a totally new cycle, with its own trials and rewards. For the Freshmen, there is the new excitement of finally making it to high school, yet everything else is familiar.

Many students would like to return back to the safe familiarity of the previous year,

# Homecoming

The 1982 Homecoming started off with Spirit Week. The week included Button and Tie Day, Decade Day, Clash Day, and the traditional Red and Gold Day. Students borrowed their dad's most obnoxious ties, their older sister's satin pants and anything else they found that they could wear throughout the week.

In the Homecoming game Regis dominated Prairie, 35-0. The outstanding defense was led by Chris Zachar and Brian Gradovalle. Dick Parr and Dick Breitbach both led the passing attack with several outstanding catches. Co-chairpersons Mary Lou Connolly and James Jensen announced the king and queen, Keith O'Malley and Bobbie Sue Jones during halftime.

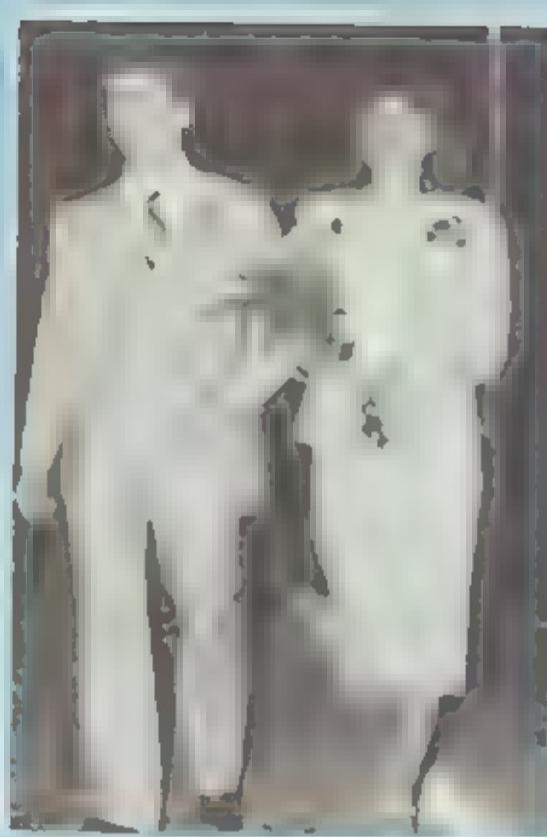

The dance was held in the gym, which was decorated around the theme "Reminiscing". The popular band Headliner provided some fine tunes for the evening.

## Making a Cloudy Day

**W**ednesday, Oct. 27 was Regis' annual Community Service Day. Over 600 students and faculty went out into the Cedar Rapids and Marion area to do odd jobs for the handicapped and elderly of the community.

The day had a two-fold goal. The first was to serve the community by donating time and energy to help in whatever way possible. The second goal was for students to meet people from other classes, make new friends, and unify the school.

Even though we didn't have the best weather for the day, we know that we added a little sunshine to many people's lives.

- 1) Yes Bill Parcell DOES do windows!
- 2) Hard at work is Trevor Clark. 3) A big part of the day is taking time out to chat with our "bosses."
- 4) An enthusiastic Stacey Stiles bags leaves. 5) The lawn boys—Jamie O'Connell and Matt Morris. 6) The new "American Gothic"—Brad Kotar and Lisa Lorei. 7) Break Time! 8) Michelle Lindeken and Caroline Knudten are "caught up" in their work.

# Varsity Football is Great!

This year's football team, even with no clear cut superiority over any team they played, came out on top in seven out of eight games in the regular season. The team, led by Senior quarterback John Lawrence, surprised all of its critics and even the optimists. The highlight of the regular season was the 19-14 victory over city rival Cedar Rapids Washington. The Royals then progressed to the state playoffs with a chilly victory over Pleasant Valley. The next game, played at Kingston Stadium, represented what could be called "Royal Revenge"! It was there that Regis avenged their only loss of the season by defeating number one ranked Linn-Mar. Royal football 1982—A year to remember!

# Soph and

A balanced air and ground attack paced the Sophomore football team to a five and three record.

The team started out with five straight wins but then stumbled to lose their last three games.

Behind quarterback Andy Scott and split end Dave Downey, the Royal's biggest threat was the long bomb. The Royals also used the running game with Doug White and Paul Frank gaining yardage.

The Royal's defense was lead by Mike Wawro and Mark Jourdan. Also helping the cause was spunky little Tom Connolly.

The young Royals produced a steady defense and a solid offense. Mr. Ray stated that the team was hard working and blended together well.

The Royals' only loss came from a tough Linn-Mar team. They won big games against both Iowa City schools.

# Pom-Pon girls

The 1982-83 Pom-Pon girls can say one thing for sure about their year on the squad. They had a riot!

The year began with tryouts in the Spring of '82. The squad then worked during the summer to raise money for Pom-Pon camp. They picked and sold corn, and held many car washes. They also held many summer practices.

Although it was difficult at the beginning of the year to work with girls they hardly knew, the girls quickly became great friends, and made a lot of memories...Spirit stick, the camp dance, eating contests at camp, poms, Flame Thrower, sore muscles, short skirts, working in the fields, M & M's, practice in the weight room, Wendy's pregame dinners, Magnum PI, eating dough, On Broadway, Shout!

## Football Cheerleaders

1

982 was an exciting year for the Royal football cheerleaders. It started with a new "Royal cry" made up by Senior cheerleader Jon Tellin and ended with a trip to the Dome for the championship game.

Game days started at 7:30 a.m. for the players, coaches, and cheerleaders, when they attended mass celebrated by Fr. Jaeger. Before the games, the cheerleaders would eat dinner together and they would greet the players after the game.

The season was special for the cheerleaders, bringing them closer to each other and the team. It is one that won't easily be forgotten.

# Volleyball

New V.B. Look

**R**egis completed its first varsity volleyball schedule this year, finishing at 1-8 in ECIC competition. Although the team finished with an unimpressive record, Julie Allender, head coach, said the team improved greatly in the fundamentals. Statistically, the Royals were led by Chris Paulsen and Sophomore Jackie Draker. Paulsen led the Royals with 42 ace spikes, and Draker connected with 94 percent of her serves. The J.V. team, also coached by Allender, finished with a 2-7 conference record. The Freshmen team was coached by Sue Hanson and finished the season with a 3-6 record.

*School spirit is the one thing that sets Regis apart from the other schools. The students and teachers are proud of Regis and not afraid to show it. The unity and friendliness around the school helps everyone feel at home so much so that people from other schools wish they could be a part of it. Especially the kids in grade school planning on attending Regis*

*A part of school spirit is showing support by going to the events that the students from Regis participate in, such as plays, Showtime, volleyball, basketball and football. At these events people show their support by cheering and by their conduct. Since this is the twenty-fifth anniversary of Regis many people talk about tradition and carrying it on throughout the years. School spirit is a big tradition that I hope will continue*

# ROYALS GO TO STATE

Cedar Rapids Regis made yet another trip to the state tournaments. This fall, the football team met the Harlan Cyclones in the Unidome on Nov. 13 for the state 3A championship. First Regis defeated Pleasant Valley 36-24, and Linn-Mar 24-8, in the preliminary rounds. In the final game, Regis bowed to Harlan, 14-15.

Three team members received All State Honors. Senior Pat Hesselmann was chosen third team, as was splitend Dick Breitbach, another Senior starter.

Quarterback John Lawrence, who received first team All State honors, was a key in the Regis offense this year.

1) "A moment of silence before the game." 2) A "Royal" Pile. 3) "The dean of High School football... Tom Good."

go up and down  
We're captive on a carousel of

We can't return. We can only look

And go 'round and 'round and

# Varsity Boys Basketball

**R**eputation, poise, determination. The 1982 83 basketball season went well for the Royal cagers. An impressive 14-5 regular season record helped the team advance to the Class AA State Tournament. The senior co-captains, John Lawrence and Dick Breitbach, were strong leaders. Seniors Brian Gradoville and Pat Hesselmann and Juniors Tom Breitbach, Anton Petrezelka, and Joe Kramer followed their example well.

Highlighting the season were victories over Kennedy, Wahlert, and Mr. Breitbach's 150th win

1) A smooth move by Brian Gradoville. 2) Concentration is the key for Anton Petrezelka. 3) John Lawrence up against some heavy Kennedy defense. 4) "May I have the next dance?" requests Brian Gradoville. 5) Anton Petrezelka drives the baseline against Dubuque Senior.

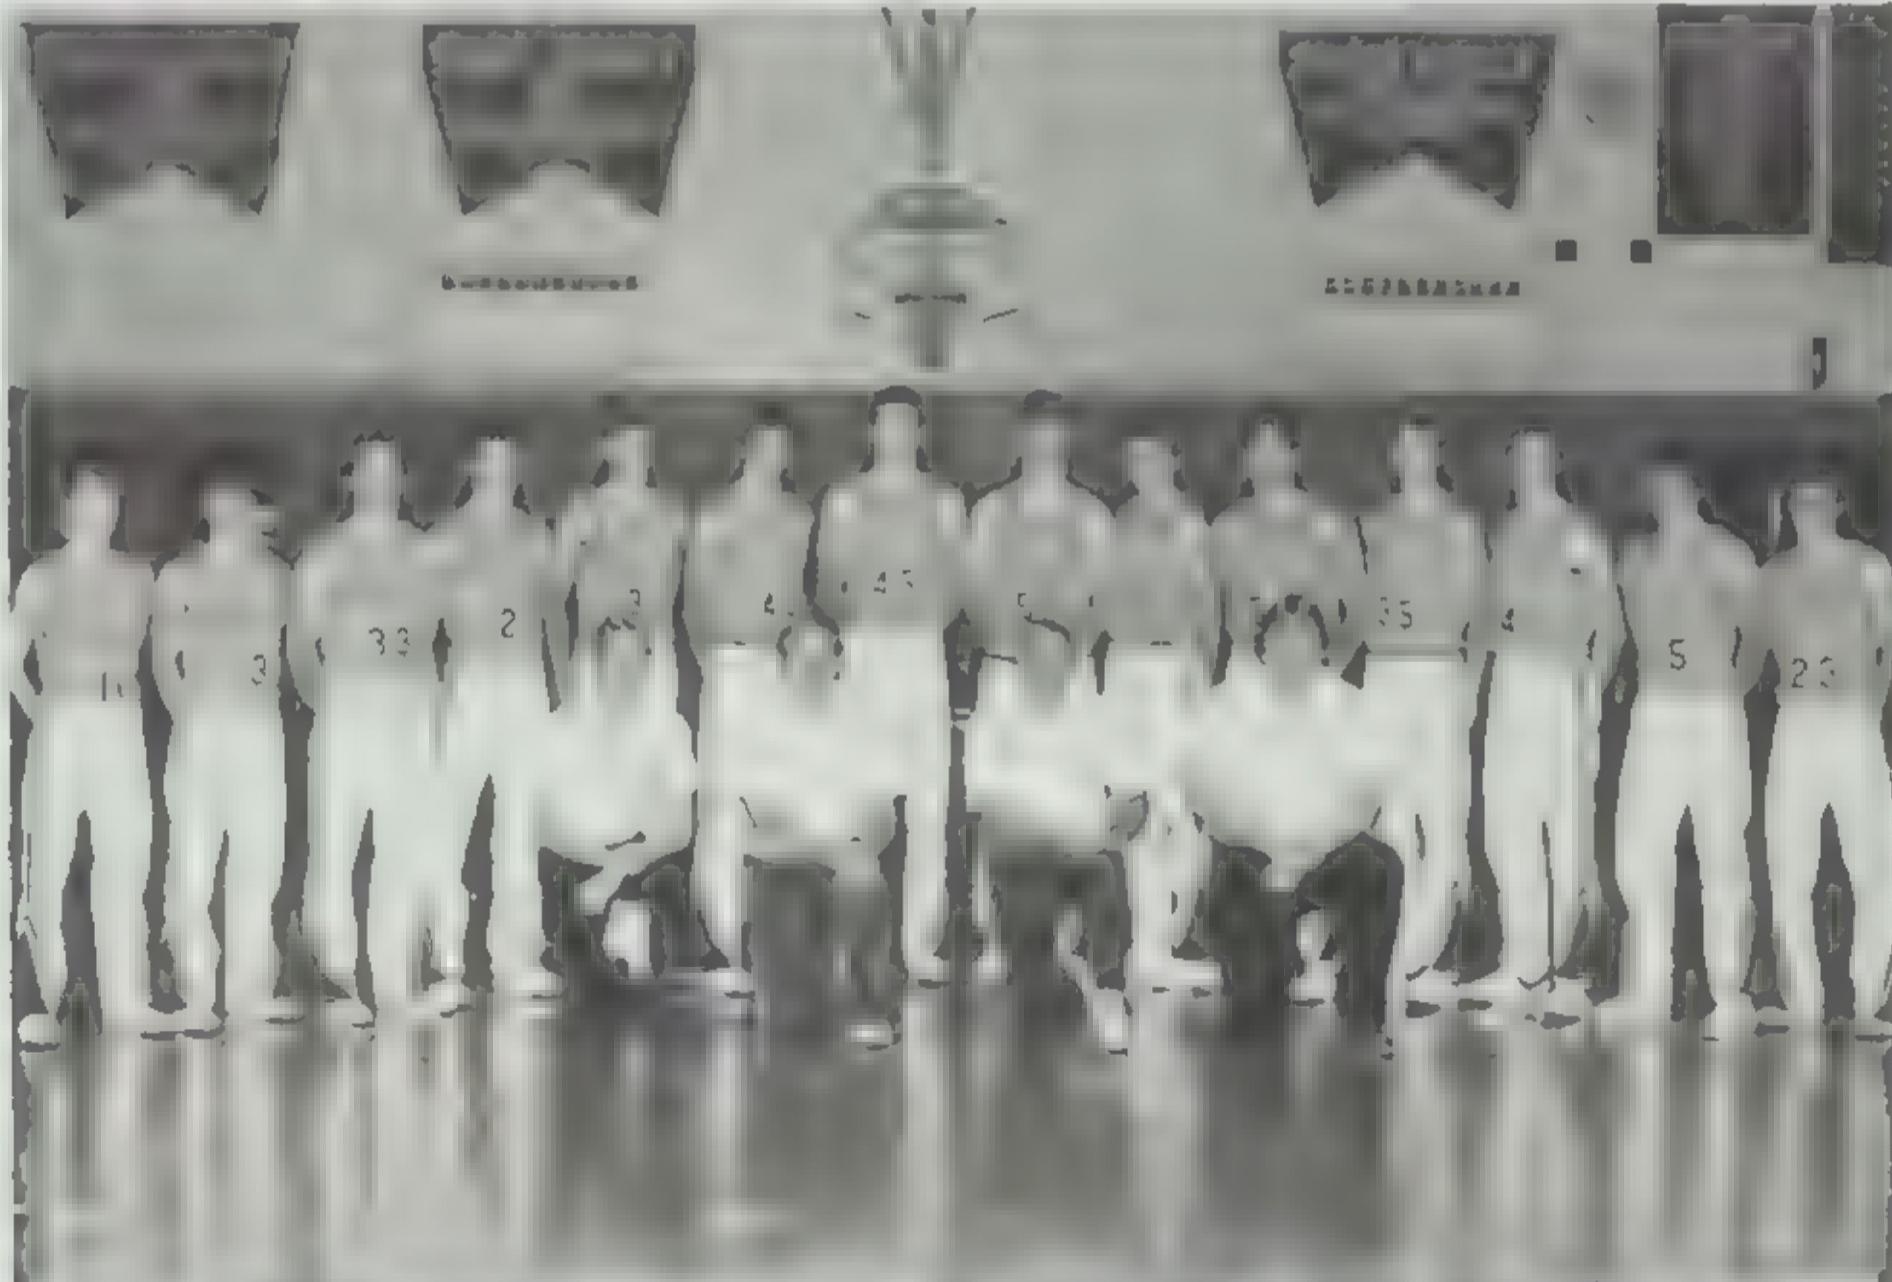

Dick Breitbach, 1982-83 co-captain sports a good set of credentials. He was included in All-Tournament AA Team, second team All-Metro, and honorable mention All State his junior year

Breitbach was selected to the first team of the Des Moines Register's All-State squad, first team on the Iowa Newscasters Association All-State squad, first team on the All-Metro squad, captain of the AA state tourney team, and was selected to play in the Iowa-Minnesota All State games where he was also named co-captain. # Girls Varsity Basketball

The Royal girls finished a fine season with a 17-6 record which included an 11-1 mark in ECIC competition. The Royals conference record was good enough to edge out the ECIC championship for their second straight year.

The Royals biggest win came against highly-rated city rival LaSalle. With a 70-62 win, the Royals pushed into a tie for first place. They were crowned champs of the ECIC when LaSalle lost their last game of the season.

Cathy Drilling led the team in scoring with a 24-point average. Jan Smith popped in a average of 19 points per outing. Mary Donahue also consistently helped out with the scoring duties.

Mary Sheka led the Royals powerful guard court. Lisa Kokontis, Bobbie Sue Jones, Julie Palmer, and Chris Drahozal were other key factors in the guard court.

# Frosh/Soph Girls

The Freshman and Sophomore girls basketball teams did a good job again this year, showing much potential for the years to come. The Sophs were lead by Jackie Draker in scoring most of the year, while Ann Vogl and Linda Mescher also tossed in a considerable number of points.

It was their hustle and calm under pressure that enabled them to clinch the ECIC Championship once again. The team showed good depth as well. This was quite an accomplishment considering that some top players from the year before had been moved up to the varsity ranks already.

The Frosh girls saw a rougher time of it, though, as they were handed several defeats in their first year playing together as a team. Their compiled record stands at merely six wins and eight losses. But that's sure to improve after a more accomplished feeling of team unity is achieved.

# CHEERLEADERS

The Varsity and Sophomore girls basketball cheerleaders showed spirit and pride in their teams this year.

The varsity Cheerleaders, for the first time in years, were not all girls. That's right! Our male cheerleader this year was Ray Benning. This started a tradition that we hope will last for years to come. He really made a difference in getting the crowd fired up. But enough glory for Ray! The girls deserve credit, too.

The girls on this year's squad were seniors Ellen Merfeld, Tammy Foley, Mary Hlas, and Carol Steepletton. The juniors were Jill Dostal and Sarah Tow.

The Sophomore Squad contributed to their team's success as well. They were Ellen Gary, Tracy Wilkin, Michelle Clements, and Cindy Schuh.

# WRESTLING

The Year of the Royals

4

If you were to ask a wrestler he would tell you that this was definitely "The Year of the Royals."

For the first time in Regis history, the Royal Grapplers won sectionals and sent seven men to districts. Two of these—Dale Schwach and Matt Morris—went on to state.

One of the outstanding wrestlers this year was Dale Schwach. Dale set school records for best season with 27 wins, four losses, and one tie.

Coach Randy Ray, the brains behind the turnaround of the team, had this to say, "We are now at a stage where we are competitive with the rest of the state. Now we must become dominant!"

Matt Morris is a six year wrestling veteran. This year he was one of two Regis wrestlers who made it to the state tournament. He plans to wrestle for one of the local colleges. Matt likes to ride his three wheeler or sit in a hot tub when not working on his wrestling.

# WRESTLING CHEERLEADERS

The 1982-1983 wrestling cheerleaders had a great season. The wrestlers gave them something to cheer about! Getting up in the morning for practice, learning new cheers, long hours at tournaments on Saturdays kept them busy.

One cheerleader commented, "We were really happy for the wrestlers who made state. Everyone did exceptionally well!"

# INTRAMURALS

This was the first year for girls intramurals at Regis. It was rough in the beginning with only three teams, but they finally managed to get the ball ready for the tip-off.

The games were played in the St. Matt's gym on Sunday nights. Under the leadership of the seniors, the program was a success.

### STUDYING

"As I look at my paper, I think about other things. My mind wanders off. I think about food and girls and sports. I don't like to study, but I do it anyway. If I study for too long, the letters become blurry. If I don't study long enough I get F's. Who cares? My mom."

By Dan Breitbach

### YOU CAN EITHER SLEEP OR STUDY

Studying is done when you absolutely have to do well on a test. Studying sometimes seems to make me even more confused before I take a test. When I do study, I usually study different things than those that end up on the test.

Studying should help us get great grades. When I sit down to study, I start thinking about something else, and then I don't remember what I'm studying. Studying is great if you understand what it is you are studying. When I don't study, I'd rather sleep....in study hall.

### SCHOOL LUNCH

Lunch Time is my favorite time of the day. Not only is the food good for you, but It's fun. One of my favorite lunch time games is "Name that Food" to see who can name to food the fastest.

Some people simply smell it, some dare to taste it. And others—like Pat Engholm—bring biology classification charts and look for appendages, backbones, and gills.

This is why lunch time is my favorite time of the day!.

# Royals Take State Again!

11

The 1983 Regis Royal basketball team set out to win this season, and they were not disappointed. They set high goals—ones that only a team with talent and enthusiasm could reach. This team showed tremendous poise and hustle all during the season and throughout the tournaments.

As the championship game grew closer, it seemed that perhaps Regis' dream of a second consecutive state title might truly become a reality. The Royals won their first six tournament games handily and beat Maquoketa 55-50 in a thrilling championship game. The superb talent of Dick Breitbach and John Lawrence was highlighted when they were selected to the all-tournament team. Dick was named captain.

Following the Regis basketball team to Des Moines were the fans. They came to root the mighty Royals to the top. The Royal fans followed their team with great spirit and pride and let everyone know just who the Royals were!

The dreams of victory for both the team and fans were fulfilled this year. Regis has won state again through a joint effort of player determination and fan support and a great bond of faith in each other.

# Debate

The topic for this year was whether the US should significantly curtail its arms sales to other countries. The debaters had a fine record, due in part to the devotion of the team. Two members of the debate crew went to the semi-finals after nine rounds of competition. Next year's team is challenged to be equally successful!

That's not how it happens with the Regis jazz band. They put in their time every Wednesday before school to practice. The worked hard all year and finally let their talents shine at a concert in May.

# Student Senate

The 1982-83 Student Senate had a very productive year. The executive board, including President Bill McCartan, Vice President Joel Smith, Secretary Mari Thennes, and Treasurer Paul Oetken, provided the

leadership and guidance for the rest of the Senate.

With all four classes of Senators working together on various committees, many projects, both social and service, were organized. Major projects this year included the

chocolate drive for the new sound system and a Superdance marathon for the Dennis Ferguson family. The Fine Arts Day attracted the Coe Jazz Ensemble, Bob Naujocks, and the UNI Concert Choir.

**T**his year's yearbook staff has shown a great deal of leadership.

With Mari Thennes and Loretta Hopp as our editors, we have continued our excellence in putting together another yearbook.

There were some changes made in the format of the book. At times it was hectic because of the deadlines that weren't met. All in all, it was a successful year, and we became closer to each other as a staff.

# ROYALIST

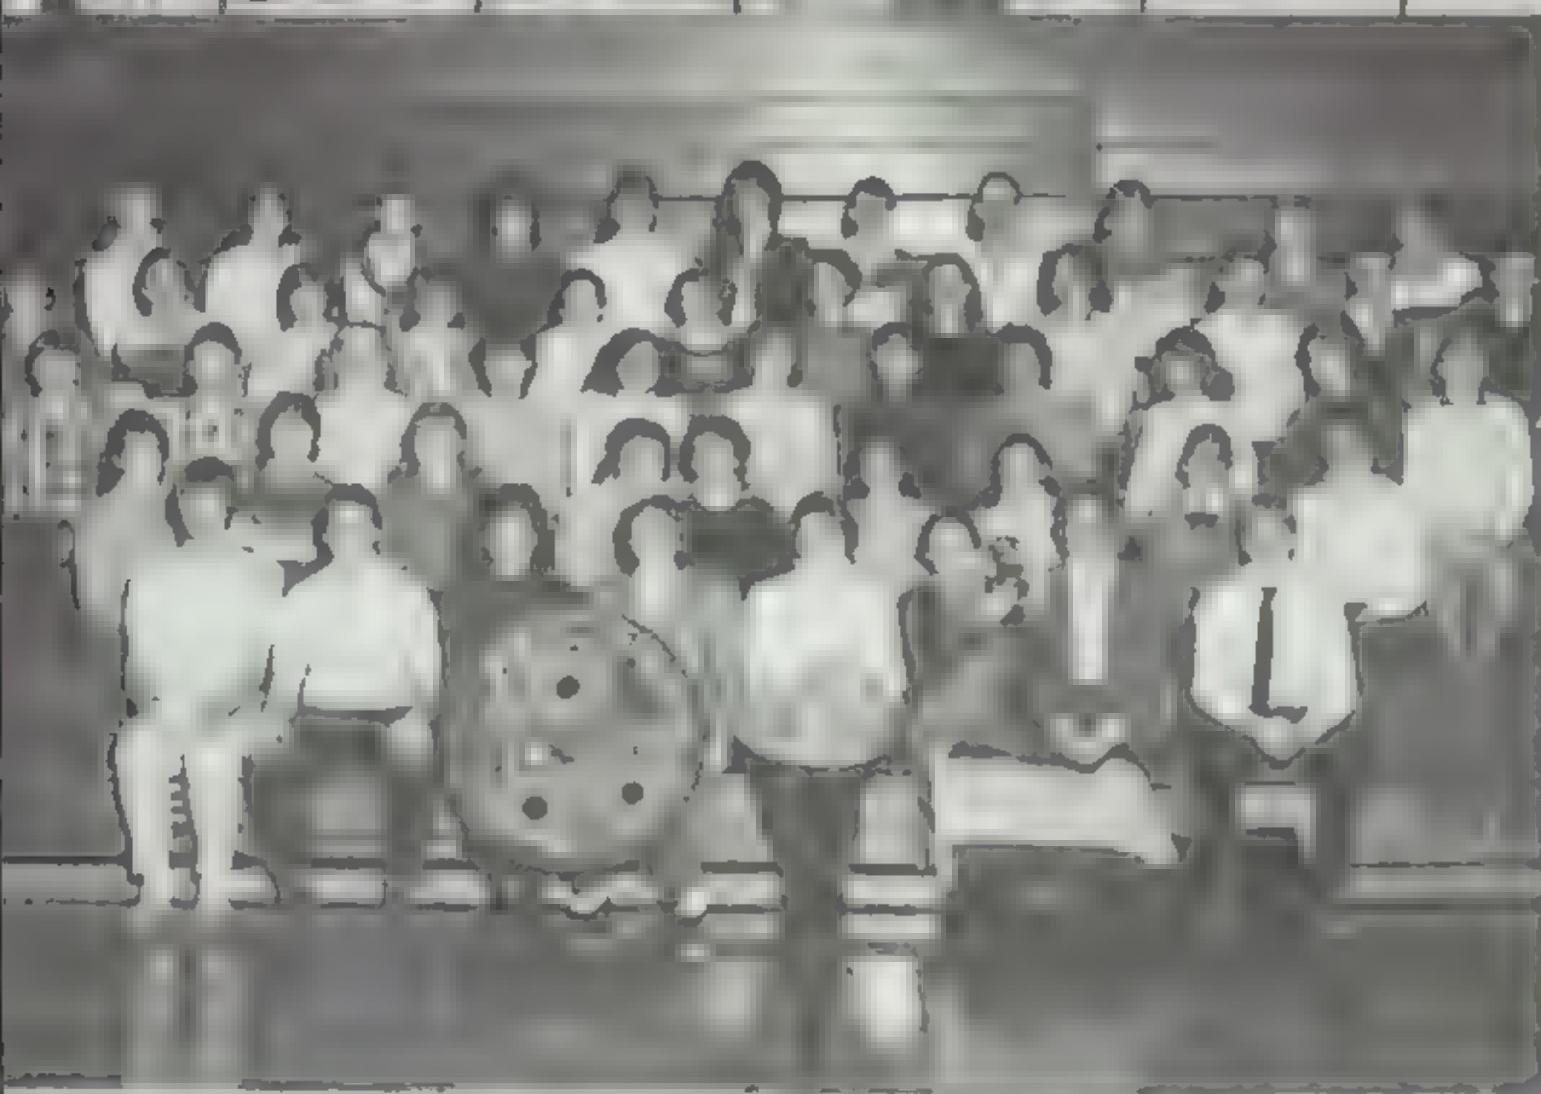

**E**ight mod to a Royalist staffer this year meant checking into room 130 to watch the clock tick off the last minutes of the day. Often the time was passed by discussing controversial topics of the day, collecting for the end-of-the-year Royalist picnic—a penny at a time, writing things about other staff members on the board and occasionally even writing a new story.

This year marked the beginning of a new type face and lay out design techniques. One staffer, Janet Whitters, won a national Quill and Scroll Gold Key award for her journalistic expertise.

The weather seemed like Spring through the whole Winter—but, when Spring was finally supposed to arrive, it turned cold and dreary! It was frustrating to say the least

Many students traveled south to Florida, Texas, or Mexico to get away for Spring Break. The students who stayed home saw rain and snow

Later in the season, it began to warm up—this time for keeps!

## Prom '83

### An Enchanted Garden

The theme for Prom '83 was "Enchanted Garden." The junior class spent many hours organizing it with Barb Burns and Kevin Winkler as the chairpersons.

The Grand March started at 9:30 p.m., and soon after the prom candidates were introduced. They were Kara Schlichte, Bobbie Sue Jones and Newly elected Queen, Therese Weber and John Bailey.

Matt Schue er and Newly elected King. Rob Schulte.

The band for the evening, "Men Working," was enjoyed by all. Afterwards, students went to

Chapmans for an after prom party. This part was sponsored by Regis parents and a new idea this year. Students enjoyed it and hope the tradition will continue.

## Regis 'Carousel' Revolves

A few years back Rodgers and Hammerstein created a musical called "Carousel." The plot of the story revolved around a tough, mean, yet incredibly attractive carnival barker named Billy Bigelow, and the girl he meets and falls in love with—the sweet, shy, innocent Julie Jordan. The setting is New England.

1873

On a hot midsummer day the carnival arrives in town. Off one of the dingy trailers steps Billy, a broad shouldered, powerful looking man in his early twenties. He stands nearly 6'4", with brooding black eyes, a muscular tan physique, square set jaw and slightly waving black hair.

Yet, this man is a carnie: he travels with the carnival as a barker. As he gazes across the town square, his eyes focus—not on all of the busy activity of the day—but on one girl, sitting on a nearby bench, reading a Harlequin romance.

The girl appears to be about twenty. She sits in the sun, her peaches and cream complexion glowing. She sweeps her massive chestnut hair behind her shoulders with her slim, delicate

5

6

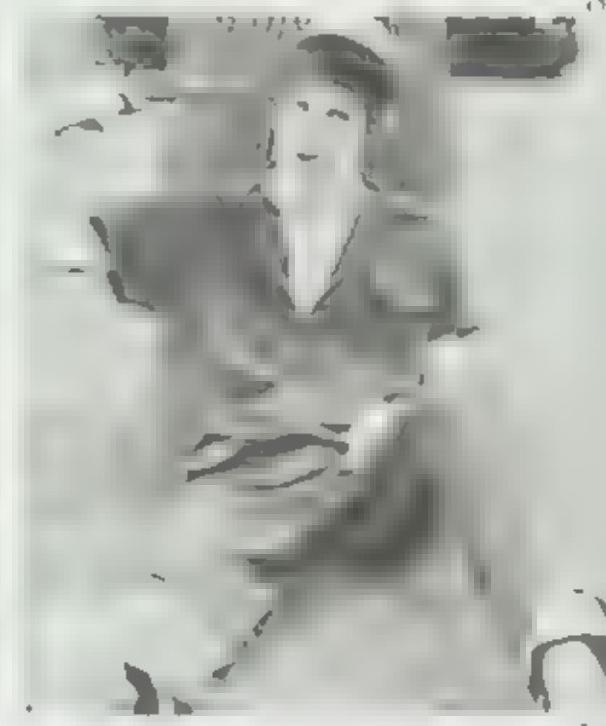

hands. She raises her deep-set eyes to see Billy staring at her

Billy decides he wants to meet this girl, but his crotchety old boss, Mrs. Mullen, says that Julie isn't Billy's "kind of girl." Eventually, Billy and Julie meet and (you guessed it) fall in love. Julie's best friend Carrie also talks about getting married. Carrie finally does marry her dream boat, Mr. Snow.

Billy then does the "down on one knee" bit and proposes to Julie. Julie says yes (of course), and together they sing "June Is Busting Out All Over." A few months later Julie discovers she is expecting a baby.

Billy is very pleased to learn he's going to be a father, but becomes worried when he realizes the financial difficulties of raising family. Billy and his no-good sailor friend Jigger Cravin start talking. Jigger convinces Billy to stage a hold-up to get the money. In the midst of their crime, they are apprehended and rather than facing justice and a prison sentence, Billy shoots himself.

Many years pass. Billy is sent to purgatory to make up for his sins. His daughter, Laura, is now in high school. God gives Billy the chance to go back and gain his

10

daughter's forgiveness for his sins against her and her mother. She must accept his "star" to prove she forgives him. Laura refuses to accept him, and says she will never forgive him.

Billy becomes upset and gives her a backhand across the face. For this Billy is sent back to perdition where he sees a vision of his family and their future, and Billy realizes they will live happy lives without him.

# Softball

The 1983 softball season was different from any other seasons in the Royals' past. With new uniforms and seven returning letter winners, the softball team had much to look forward to.

This was the most promising year of coaching softball for Brendan Dillon. He says, "This is the first year we've had a lot of really dedicated girls who have what it takes."

1) Amy Greif steals home to tie the score against Washington. 2) Julie Kotar burns one to first for a third out. 3) Stephanie Schwach ups her batting average. 4) Softball team: Row 1: A. Dillon, Row 2: B. Tow, S. Tow, J. Kotar, L. Rummel, S. Schwach, K. Geern. Row 3: Assistant Coach L. Good, M. Seidl, S. Hopp, A. Greif, L. Takes, A. Vogl, D. Takes, Coach Brendan Dillon.

# Boys and Girls Golf

**B**oth the boys and girls golf teams had excellent seasons in 1983. The boys team, under the direction of Coach Justin Kramer, made it to state once again. Joe

Kramer was state medalist. The team placed third after completing regulation play one stroke behind the two teams tied for first.

The girls team, behind the

power of Leah Hingtgen and Barb Blank fell short of state but made it as far as the district. Both were medalists several times throughout the season.

1) Boys Golf: Row 1: Brad Stovis, Joe Kramer. Row 2: Mark Brady, Jim Beck, Jim Lensing, Mike Greif, Coach Justin Kramer. 2) Lining up her fairway shot is

senior Barb Blank. 3) Joe Kramer watches as his ball sails to the green. 4) Girls Golf ECCC Champs: Row 1: Rhonda

Ridenour, Jenny Erger. Row 2: Kris Hahn, Connie Blank. Coach Julie Allender, Leah Hingtgen, Barb Blank.

# Tennis Begins

In 1983 a new tradition was started. Under the direction of Coach Dave Glynn, a girls' tennis team began. The team got off to a slow

start, losing a couple of close meets by one game.

Standout Caroline Knudten excelled in singles play as did newcomer Laurie Stephan.

The team consisted of seven players, all but one of whom will be returning next year. Hopes are high for a good, strong team next year.

1) Tennis: row 1: K. Vanourny, C. Knudten. Row 2: C. Enzler, M. Sullivan, C. Meger. Row 3: L. Stephan, S. Bailey. Coach D. Glynn. 2) Mike Greif—a real swinger. 3) Leah Hinggen pounds her ball in frustration. 4) State standout Caroline Knudten gets some power behind her shot

# Varsity and Sophomore

The varsity started off the year under first year Coach Terry O'Hern very well by placing second in the Metro Tournament. They lost to Jefferson 7-6. Returning lettermen were Brian Gradoville, Tom Lynch, Mike Wolfe, Mike Glisch, and Rob Schulte. Juniors who saw plenty of action were Dan Williams, Kirk Haefner, Tom Breitbach, Joe Drahoszal, Jeff Frese, Rick Merfeld, Mike Fox and Larry Pilcher.

# Completing the Circle

The 1982-83 school year draws to its conclusion. With it comes the time to say our final "goodbye" to Regis as one, united Senior Class. Who can forget all the good times we've had "up on The Hill," though? From the terror we felt as Freshmen, to the satisfaction we gained in becoming Seniors!

As we reminisce over the past four years, it is easy to recognize the changes that have occurred within us and within the school itself. Coming to Regis as Freshmen, we were young and inexperienced—not yet initiated into the everyday rituals of REGIS HIGH SCHOOL! The year progressed, and we became more acquainted with each other, setting a style all our own. Hanging out at Happy Joe's and Pizza Hut, getting our parents to give us rides to and from parties and school dances, our first—and last—pep bus. Third and ninth

mod study halls were packed with Freshmen passing notes and receiving demerits

Sometimes we just "forgot" to go to study hall and ended up in the showers or making our debut on stage! OOP's were quite popular with the teachers. The year progressed, and then we were

Sophomores. It was at this time that we found our identity and became individuals. At the same time, we grew closer as a class. One way we did this was by attending Sophomore games before the Varsity games. We were also allowed the privilege of going to school-sponsored dances and our Spiritual Team activities. These included the Easter party for little kids, the ski trip to Sundown, and the Christmas project—all of which helped to unite us as a class.

Our Junior year was spent doing a variety of different things: Junior Serendipity and overnight retreat at school,

taking State as Juniors, the Junior Masquerade dance, the overnight retreat at Camp Waubeeek, jobs, \$1.50 night at the movies, Junior Prom, and waiting to be Seniors!

Ahh...at last, or already! Here we are absorbing all of the benefits of being a Senior. Taking advantage of Senior release, Spring Break, TEC, being the leaders of the school. Going to our last football, basketball, and state tournament games as students of Regis. We attended our last Homecoming and Prom. We started counting the days until graduation

*And the seasons they go round and round, and the painted ponies go up and down...We're captive on a carousel of time...We can't return, we can only look behind from where we came...And go round and round and round in the circle game.*

# Graduation

Time Can't

The 25th year celebration climaxed on May 21 with the graduation ceremony held in the Regis gym. Rob Schulte spoke on behalf of the Seniors. He reminded us of the friendships we've gained and of memories we've made.

Msgr. Becker was guest speaker and asked all present to have respect and to never let Regis die. It was an eventful afternoon and was the final event in our "Circle Game".

# Erase the Love We've Shared

1) Paul Sundell, Pat Hesselmann, Dick Breitbach, Greg Good and John Bailey pose at graduation. 2) Dale Schwach still can't believe he graduated. 3) Janet Whitters receives her diploma. 4) Fr. Klein gives out diplomas. 5) Student speaker Rob Schulte. 6) Bob Peery and Joe Gourley say "Good bye."

**I**t seems we had only begun the ride, and the carousel stopped. As the year went by we had reached many of our goals and dreams. We went to the state football championship in the Fall—and fell a little short. We were proud to bring home the second place trophy and vowed to do better in basketball.

When winter rolled around that dream came true. We took the 2A Crown. We also raised over \$1800 for the Ferguson family by holding a dance marathon. We really felt good about ourselves. We had really helped someone.

We also learned a lot about ourselves and our friends this year. We even made new friends and renewed old friendships.

# Carousel Pauses

The Freshmen learned that the ride could be bumpy at times—especially your first time around. They learned to hold on tight and try to enjoy the ride in this new adventure called high school

The Sophomores began to unwind a little this year. They didn't get motion sickness as they were used to the hectic schedule and busy days

1) Jamie O'Connell, "Somebody's got to do it!" 2) The chess club gets together for an informal game. 3) "Pilot to co-pilot, 'Ready for takeoff? Fasten your safety belts guys!'" 4) "Now Mike, do you want it long and shaggy in the back or curly on top?" asks senior hairdresser Laurie Pollpeter. 5) The terrific twosome: Laurie and Caroline. 6) "Hey Barb—did you hear the one about the..." 7) Behind the wheel is Laurie Pollpeter 8) Dawn Kelly, Corky Miller, and Mary Cella await the arrival of their plane for Mexico. 9) Paul Oetken just blowing off some hot air.

# Winding Down

The Juniors began to realize that they would soon be coming to the end of their ride, so they got involved in their Junior year. They did many service projects in the community, helped to plan Fine Arts Day, had an overnight at Waubeek, and just generally had a good time.

For the Seniors, it seemed—to most—that their ride had ended.

1) Julie Kotat, Lisa Rater and Jeff Tellin plan their escape. 2) It's so hard to say good bye! 3) Jenny Eganhouse—cowgirl at heart! 4) Life on the hill. 5) On the move in the Dome during the State Football Championship. 6) And a few short months later celebrating the State Basketball Championship. 7) Performing at the Regis graduation ceremony is the Regis band.

too quickly. Had time actually passed from our first day with Freshman jitters and worrying about lockers? To the time that we all marched and received our diplomas?

Time passed so quickly—too quickly. We had to say good-bye, graduate, and move on. The Seniors had just ended their last full circle on this carousel. They got off, knowing in late August that things would start up all over again—but this time they wouldn't go along for the ride.

The carousel didn't stop, it only slowed down to let off about 150 people and wait 'til the end of summer for a new group to get on.

## Colophon

The 144 pages of **REFLECTIONS** were prepared by the yearbook class of Regis High School in Cedar Rapids, Iowa. The type was set by students Loretta Hopp and James Jensen at Compositors. We've used a combination of Helvetica demibold and light for the headlines and subheads. The body copy is Souvenir regular set 11 point on 12 point leading. Captions are in Souvenir demibold 8 point on 9 point leading. This total paste up book was printed at Taylor Publishing Company in Texas.

Editors were Loretta Hopp and Mari Thines. Karla Schlichte was senior editor Karen Miller was advertising manager. Photographers were Mark Behounek, Dan Johnson, Laura Pollpeter, Michelle Logan, Dave McGrath, Sue Geers, Dave Miller, Liz Ford, Dave Barnett, Joe Kramer, and Stephanie Vanourny.

Greg Good was responsible for the carousel art, Laura Pollpeter for special effects and design work. A special thanks goes to Father Donald Klein, principal for his assistance and cooperation. Joanne Brown was our Taylor representative, Mary Arnold our advisor.

The carousel is done. Yea!
